

VET 2018

UEE22011 Certificate II in Electrotechnology (Career Start)

COURSE DESCRIPTION

This qualification covers competencies for work entry program providing grounding in safety and basic skills and knowledge for work in any electrotechnology discipline.

It comprises of classroom based study, workshop practicals, one major written project and four weeks of self-organised work experience.

COURSE PATHWAY

This course will provide an entry point for students wishing to become an apprentice Electrician, Data Technician or Refrigeration Mechanic.

COURSE OUTCOMES

On completion of all first and second year units of competency, the student will receive a UEE22011 Certificate II in Electrotechnology (Career Start) qualification.

If not all units of competency are deemed competent or are incomplete at the end of training, a Statement of Attainment will be issued.

NUMBER OF SACE CREDITS

To find out what SACE credits you can receive refer to the VET Recognition Register - www.sace.sa.edu.au
