Safety First!

OK girls. To keep YOU safe you must wear **long sleeve shirts** (no drawstring cords), **long pants** and **enclosed shoes**. PEER will provide safety glasses.

Try a trade!

Hey girls! Have you ever wanted to try power tools? Come and gain hands-on experience in plumbing, electrical, refrigeration or data communications.

You will be given the opportunity to develop new skills in a safe and supportive environment.

Free lunch will be provided followed by an afternoon of networking with special guest speakers and industry representatives.

*This event is limited to **30 students**.

To secure your spot please register with your VET coordinator or PEER by **Friday 3rd of September 2021**.
