

# 2024 PEER Graduation & Awards Night

## About the event:

The PEER Graduation & Awards Night is an occasion where we come together to celebrate the hard work and achievements of our latest graduates and outstanding performers. With success demonstrated across our students in our vocational pathways through to our outstanding apprentices and trainees, our event gives all students the opportunity to be celebrated and rewarded.

As a not-for-profit training organisation, PEER gratefully welcomes the generosity given from all of the supporters of our industry, and would like to invite your organisation to become an **awards sponsorship partner** for our 2024 PEER Graduation & Awards night.

By sponsoring our event or an award category, this ensures our apprentices and trainees feel supported by not only PEER, but across the entire industry in South Australia.

Our event is well attended each year, attracting 500 employers, apprentices, trainees, families, friends, government dignitaries and a wide range of industry representatives, who are all there to network and support the achievements of our apprentices and trainees.

We offer several sponsorship opportunities for your organisation to showcase your brand including tickets to the event. Please join us in supporting our 2024 Graduation Awards by purchasing a Platinum, Gold, Silver, Bronze or Award sponsorship package.

PEER will run a prize raffle on the evening, to raise funds for Mates in Construction. This raffle gives us the opportunity to show our support to the services they do in the construction industry. By donating a prize, the proceeds made on the night will go towards the Mates in Construction charity.
