

Certificate II in Plumbing 22701VIC (Pre-apprenticeship)

WHAT YOU'LL LEARN

Across a mix of class-room based study and workshops to practice **hands-on skills**, you'll learn to perform **plumbing pipework, welding** and **fabrication** and use **plumbing hand** and **power tools**.

OUTCOMES AND CREDITS

Once you've completed all your Units of Competency, you'll receive a **22701VIC Certificate II in Plumbing** qualification. If not all units of competency are completed, a Statement of Attainment will be issued instead.

WHAT YOU'LL NEED

To look after your safety, these items are compulsory: **steel capped boots, 100% cotton long sleeve high-vis shirt** (supplied by PEER) and **long pants**. No polyester blends are allowed.

WHEN

The course is held **one day a week**, from the start of Term One. The day and location of the course will depend on student numbers. This course is run over 3 semesters, totalling 55 weeks.

YOUR FUTURE OPTIONS

The skills you learn in this course will put you on the right path to further training (apprenticeship) and becoming a **Plumber, Gas Fitter or Roof**

ENTRY REQUIREMENTS

To complete this course and get started, you will need a sound understanding of both **English** and **General Mathematics**.

FEES

Please contact PEER for more information on course fees. School students accessing subsidised VET courses will need to undertake the **VET Readiness Orientation (VETRO)** process to meet eligibility requirements
